Having cleared those earlier 1.2200/10 spec offers as specs took comfort from the modestly better overall EMU services PMI, [EUR/USD] continues to enjoy an extended raily, reaching 1.2245 so far. Next offers are now targeted around 1.2250-70. Tail. of an asset reallocation trade from bonds into equities has also coincided with the gains, and failing yields on peripheral EZ bonds is also being witnessed.
